

FREE STANDING SCREENS AND SPARK GUARDS

STANDARD SIZE FREE STANDING SCREENS & SPARK GUARDS

Proving that sometimes simple can be amazing.

Taking design cues from some of our most popular door styles, we offer a line of affordable free standing screens in the most popular sizes.

Classic Foot

An arched decorative foot provides stability while adding to the aesthetic of your fireplace screen.

Square Handle

Square handles come standard with the free standing screens.

Standard Carolina free standing screen in solar bronze.

Standard spark guard in solar bronze.

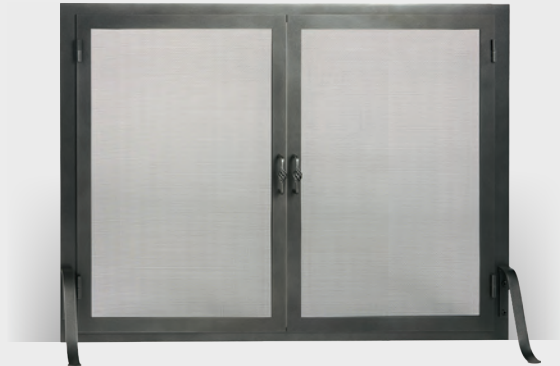

Elite Curtain | *Sleek, protective mesh*

The Elite Curtain includes a hanging mesh curtain, top header piece, and an optional bottom cover piece. The top and bottom fenders are available in any of our steel finishes. It can also be made in stainless steel for outdoor applications.

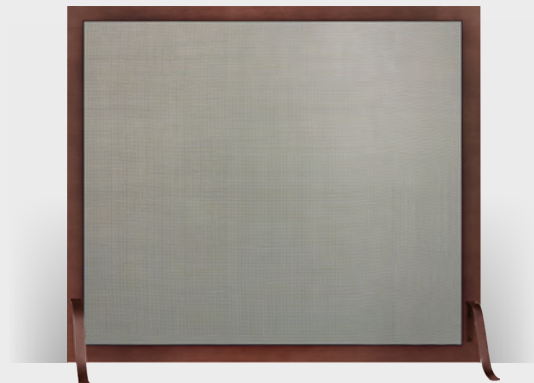

Trifold Screen | *Traditional look, contemporary feel*
Any of our free standing screen designs are available in a trifold configuration. Screens are available with 8", 10", or 12" side panels. Shown in Black Rock design.

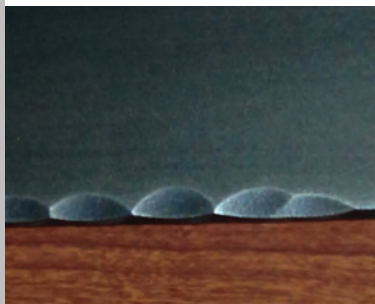

Operable Doors | *Sturdy, customizable convenience*
Operable doors can be added to any of our free standing screen designs for convenient access to the fireplace.

Sawgrass | *Detailed, natural curvature*
This free standing screen is truly unique and inspired by the sawgrass of the great outdoors.

Carolina | *Artistic, customizable screens*
The Carolina is made from a single piece of laser cut steel and available in our most popular finishes and styles.

Hammered Edge Screen | *Ornate, textured detailing*

The frame is edged with hand hammered texture, pounded out by hand with a classic hammer and anvil.

Victorian Scroll Free Standing Screen

Our Victorian screen features an elegant interpretation of Victorian architecture commonly found in mid-to-late 19th Century homes and buildings.

Standard Spark Guards

Available in popular standard sizes as well as custom. Spark Guards can be used to provide a beautiful layer of protection from woodburning fireplaces as well as the hot glass of DV fireplaces.

Complete, Hearth Solutions | Tool Sets & Log Baskets

Our Carolina and Premier Design hearth accessories match our most popular fireplace doors in finish and design.
