Horizontal Layout

Our horizontal panels create strong lines and shadows that compliment the trendy linear design. These panels can be made as narrow or as wide as the desired style.

Accents

Add depth & style while hiding seams between panels.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.18-19 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Wall - Matte Black finish with Banding
Fireplace Door - Sliding Door in Industrial Black finish

Vertical Layout

Visually heighten the feel of the room with our clean vertical design.

The rich texture of our powdercoat and hand-finished premium finishes reduce the need for additional artwork.

Accents

Add depth & style while hiding seams between panels.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.18-19 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Post Trim Upgrade

- Add depth & style
- Hide Seams

Wall - Industrial Black finish • Floating Shelf with Industrial Brackets
Fireplace Door - Industrial in Textured Black finish • Industrial 1800 Toolset

Tiled Layout

Individually cut in proportion to the wall or space being covered, each tile has a precise laser cut edge, and are placed close together resulting in tight joints and clean lines.

Accents

Add depth & style while hiding seams between panels.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.18-19 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Wall - Industrial Black finish

Squares Layout

Make a statement with the smooth, clean look of our four panel design.

Each wall is strategically designed by our C.A.D. team to best fit your room and setting.

Accents

Add depth & style while hiding seams between panels.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.18-19 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Wall - Natural Iron finish with Dome Rivets • Floating Shelf in Natural Iron finish
Fireplace Door - Bar Iron in Industrial Black finish

V-Groove Style

“V” shaped grooves between each horizontal panel add an extra level of detail to your wall. Each panel can be made as narrow or as wide as the desired style.

Accents

Add depth & style with our accent options.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.18-19 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Wall - White finish
Shelf - Brushed Beige finish

Dimensional Style

An innovative mounting system allows for this unique design, which combines tiled panels of different sizes for a distinct modern look.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.18-19 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Wall - Brushed Grey finish

Fireplace Door - Urban Belmont in Matte Black finish

Aluminum Shiplap

A non-combustible metal solution for the extremely popular wooden shiplap look.

Other benefits include weather resistance for outdoor applications, and ease of install!

Customizable

(see p.18-19 for more)

Built Strong

High quality extruded aluminum for a lightweight yet strong and rigid design

Wall - White Shiplap

Fireplace Door - Original in Textured Black finish • Ring Log Holder

Shelves

Floating shelves are a popular décor concept, and no one does it as well as Stoll. Our endless design and color options, combined with our simple installation, make our metal shelves the perfect accent to any room.

Our shelves are non-combustible, and provide protection for your entertainment center, while accenting your fireplace setting. Use our stainless steel shelves to add a modern, contemporary touch to your room, or for all outdoor applications.

Non-Combustible

Can go over fireplaces, stoves or just about anywhere!

Simple Installation

Two-piece construction allows for quick and easy installation.
